A Conference presented by the Pennsylvania Council of Churches

**Peacemaking work can be lonely work.**

The Pennsylvania Council of Churches is hosting this first ever “**Shalom Conference**” in hopes of building a statewide network of peacemakers that will make peacemaking less lonely. Peacemakers of all types, including those who struggle against systemic racism, environmental destruction, torture, domestic violence, gun violence, are all invited to participate in this conference.

*Please join us and hear from two prophetic voices in the peacemaking community:*

Saturday evening: **Shane Claiborne**, a founding member of the Simple Way Community in Philadelphia and author of influential books *Irresistible Revolution* and *Jesus for President*

Sunday afternoon: **Saadia Ahmad**, current McCormack Scholar and Master’s student in Conflict Resolution at the University of Massachusetts, Boston.
